Voices of Labor Note Cards 6/\$10 with envelopes

These timely 4"x6" notecards with matching envelopes were created to help benefit the continued renovation and maintenance of "Transcending," the Labor Legacy Landmark at Hart Plaza on Detroit's riverfront, the largest work of art in America honoring working women and men.

Each set of cards features six distinct quotations from the Landmark. The insides are blank, and cards are printed with a union label.

The cards make great gifts, and you can order them for just \$10 for a set of six. Send your check to the Michigan Labor History Society, 5401 Cass Ave., Detroit MI 48202. Telephone: 313-577-4003. Please add \$3 shipping to each mail order.
